We especially call on members of the Ukrainian Youth Association (CYM) and, Plast Ukrainian Scout Association, as well as Ukrainian School students to give serious consideration to undertaking studies at these universities. The successful applicants will have their study fees paid. In the case of the Summer School in Lviv, this also includes some accommodation and meals and scheduled excursions which are an integral part of the course(s). At the Kyiv Mohyla Academy, the scholarship is for an amount up to \$2,500AUD, to cover subjects undertaken in a period of study (which could include one or two semesters)...

All information and details regarding these scholarships are available on the Foundation's page on the website: <https://www.scu.net.au/AboutUs/KarpatyFoundation>

The Board/Trustees wish to advise that the core funds currently held by the Foundation are not finite, and the initial \$1 Million provided as a result of the merger between Karpaty Ukrainian and Sydney Credit Unions can be increased by direct donations or bequeaths to the Foundation. Your support will allow the Foundation to provide even greater assistance to worthy community projects and to increase the level of scholarships benefiting students in the community to study abroad. Should you wish to discuss this matter further please do not hesitate to contact a Director/Trustee at your convenience.
